

# Affidavit of Membership

As a BUILDERS ASSOCIATION OF SOUTH FLORIDA BUILDER member, you know that our mission is to create, preserve, and maintain a favorable environment in which the building industry can prosper in Miami-Dade, Broward, and Monroe counties. This objective is achieved through strong member support and presentation in government and the private sector.

Membership dues help provide the necessary funding to accomplish our mission. This affidavit insures that each member is being assessed on a "fair share" basis.

NAME TITLE COMPANY

**FORMALLY STATING THAT THE COMPANY LISTED ABOVE BELONGS TO THE FOLLOWING BUILDER CATEGORY:**

- DEVELOPER/BUILDER** – One who prepares raw land for improvement by grading, installing roads and utilities, and doing other work preparatory to actual construction. Frequently, a developer or development firm will undertake the organization and supervision of a complete land development project beginning with the assemblage and acquisition of the land and ending with construction and final sales and even, in some cases, be involved with maintenance thereafter.
- GENERAL CONTRACTOR** – A person or firm that agrees to perform or supervise a construction project pursuant to the terms of a contract with the owner; also known as the prime contractor. A general contractor may do all or part of the work utilizing its own employees or may contract out all or part of the work with other contractor (who then become subcontractors for the particular job). The general contractor usually is paid a lump sum for his work.
- REMODELING CONTRACTOR** – Changing the plan or form of a building to correct functional or economic deficiencies, usually done when real estate is not being devoted to its highest and best use, whether due to deterioration or inadequacies in the structure itself or changes in the neighborhood in which the building is located.

**I CERTIFY THAT THE CLASSIFICATION SELECTED ABOVE IS TRUE AND I AM AWARE THAT IF FOUND TO BE CLASSIFIED INCORRECTLY, I AGREE TO PAY THE CORRECT AMOUNT.**
