

DERM-BASF Quarterly Meeting

DERM-BASF Quarterly Meeting

September 23, 2024, Monday
9:00 am – 10:30 am

**Combined Plan Review &
Legal/Policy Meetings**
**(Virtual or location TBD
based on prior format)**

----- AGENDA -----

I. Introductions and Welcome

9:00 am – 9:45 am: Plan Review Issues

II. Adopted Ordinance on Impervious Surfaces

Adopted at the September 4, 2024, BCC meeting

- a. Various effective dates depending on use (cities, new construction, in-fill parcels, etc.)
- b. Refer to ordinance highlights document for full details

III. Flood Criteria / FEMA Maps

DERM response to FEMA comments on the DERM appeal

- Update by DERM staff

IV. FEMA & Industry Communication

- a. Thank you to DERM for sharing response – distributed to interested BASF members
- b. Request for a “guesstimate” on new FEMA Map publication date
 - i. Suggestion: Prepare a “Notice to Industry” – BASF will assist in distribution to members

V. OLD BUSINESS

VI. Plan Review Issues

- a. DERM Staff Updates on:
 - i. DERM-Sewer interaction – builders facing long review delays
 - BASF met with WASD in August
 - Proposal for a focused DERM-WASD-BASF working group
 - ii. DERM IT software/programming
 - 1. Permit holds/releases – Building Department often unaware of resolution
 - Recommendation 1: Automate holds/releases (Storm Water, Tree, Sewer, etc.)
 - Recommendation 2: Online payment system with auto-notifications
 - 2. Suggest a small working group with DERM/IT staff to collaborate
- b. Gold Key progress
- c. Progress on timeframe tracking for permit issuance
 - i. Public still unable to track DERM permits online
 - ETA on feature release?
 - ii. Update on IT software upgrade timeline

VII. Update from August 26 Meeting

- Proposed Fee Increases

VIII. Legislative Developments

- Any new legislation being proposed or under consideration?
-

Legal and Environmental Policy Agenda

9:45 am – 10:30 am

I. Review of Chapter 24

- Is it time for a comprehensive review?

II. OLD BUSINESS

III. Soil Re-use Guidance Memo

- a. First workshop held August 5, 2024
- b. Revised memo expected by year-end
- c. Request for additional workshop with regulated community

IV. Wellfield Modeling Update

- a. When will maps be available?
- b. Request for DERM workshop to present new maps and transition timeline
- c. Request for "Notice to Industry" once maps are online
 - BASF will assist in distributing to members

V. County EEL / Wetland Mitigation Bank – Status Report

- a. BASF report on meeting requests
 - i. DERM staff indicated they could NOT facilitate meeting with consultant

VI. Manatee Protection Plan – Update from DERM Staff

- a. BASF submitted comments 7–10 years ago
 - Still unclear which comments were accepted
- b. Any updates or changes from DERM?

VII. Next Quarterly Meeting

Set for a Monday in late January 2025 on TEAMS

VIII. Other Issues of Interest

- To DERM or BASF members

IX. Adjournment
